

Community Emergency Response Team Overview

- What:** This course is intended to provide an overview of the CERT program that prepares citizens to assist in emergency response activities. The course will better prepare facilitators and instructors to assist with the basic CERT Course (FEMA Course G417) by demonstrating instructional methods and familiarizing you with the instructional modules of that course.
- When:** Friday, **June 15th**, 2018, 8 a.m. – 5 p.m.
- Where:** Transtar Building, 6922 Katy Road, Houston TX 77024 Class Room #120 A
- Fee:** Tuition-Free
- Who:** Any First Responder or Teacher who is involved in training or community outreach and is interested in a complete understanding of the CERT curriculum.

Class size is limited to 40 students.

Topics in C.E.R.T. include:

- Overview of the Citizen Corps
- History of C.E.R.T. and Community Preparedness
- Fire Awareness and Suppression
- Medical: Basic First Aid
- Disaster Medical Triage
- Basic Search and Rescue
- Team Origination
- Disaster Psychology
- Terrorism Awareness
- CERT Exercise Drill
